### Test Cases

#### User registration 5

##### C38: Successful registration with valid data

Type	Priority	Estimate	References
Functional	High	None	None
Automation Type	Is Automated		
None	No		
<b>Test Case Labels</b>			

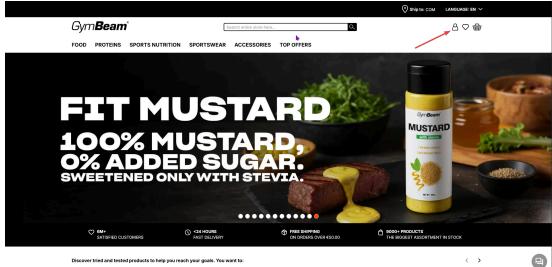

#### Preconditions

User is on the website.

Website - <https://gymbeam.com/>

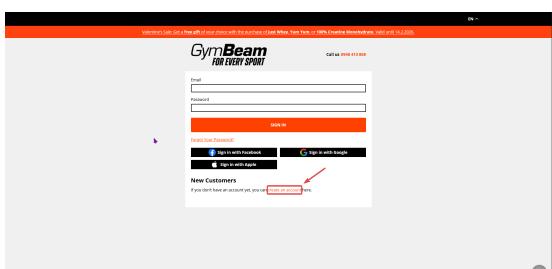

#### Steps

- 1 Click on icon that looks like a person in the upper right corner.

The login page opens.

- 2 Click on "create an account".

The registration page opens.

- 3 Enter a valid First Name.

First Name: Serhii

No error message.

The screenshot shows the GymBeam sign-up form. The 'Personal Information' section is visible, with the 'Last Name' field being the primary focus. It is a text input field containing 'Berezovslyi'. Above the input field, there is a red rectangular highlight with the text 'Last Name' inside. Other fields in this section include 'First Name' (with 'Sergei' entered), 'Email' (with 'udiettt@gmail.com' entered), 'Password' (with 'Ksksz12345' entered), 'Confirm Password' (with 'Ksksz12345' entered), and 'Gender' (set to 'Male'). Below the input fields are two checkboxes: 'Sign up for newsletter' and 'Allow website shopping assistance'. At the bottom of the section is a red 'CREATE AN ACCOUNT' button.

**4** Enter a valid Last Name.

Last Name: Berezovslyi

No error message.

This screenshot is identical to the one above, showing the GymBeam sign-up form with the 'Personal Information' section. The 'Email' field is now highlighted in red, indicating it is required. All other fields and their values remain the same as in the previous screenshot.

**5** Enter a valid email address.

Email: udiettt@gmail.com

No error message.

This screenshot is identical to the ones above, showing the GymBeam sign-up form with the 'Personal Information' section. The 'Password' field is now highlighted in red, indicating it is required. The password 'Ksksz12345' is visible in the input field.

**6** Enter a valid password.

Password: Ksksz12345

Password is correct, no error message.

This screenshot is identical to the ones above, showing the GymBeam sign-up form with the 'Personal Information' section. All five fields ('First Name', 'Last Name', 'Email', 'Password', and 'Confirm Password') are now highlighted in red, indicating they are all required. The previously entered values ('Sergei', 'Berezovslyi', 'udiettt@gmail.com', 'Ksksz12345', and 'Ksksz12345') are still present in their respective fields.

7

Confirm password.

Password: Ksksz12345

The screenshot shows the GymBeam registration form. The 'Password' field contains 'Ksksz12345'. Below it, the 'Confirm Password' field also contains 'Ksksz12345' and is highlighted with a red border, indicating it is being checked for correctness.

Password is correct, no error message.

8

Click "create an account" button.

The screenshot shows the GymBeam registration form. A red arrow points to the 'CREATE AN ACCOUNT' button at the bottom of the page.

User account is created successfully. User is logged in or redirected to the login page.

### C39: Registration with empty required fields

Type	Priority	Estimate	References
Other	Medium	None	None
Automation Type	<b>Is Automated</b>		
None	No		
<b>Test Case Labels</b>			

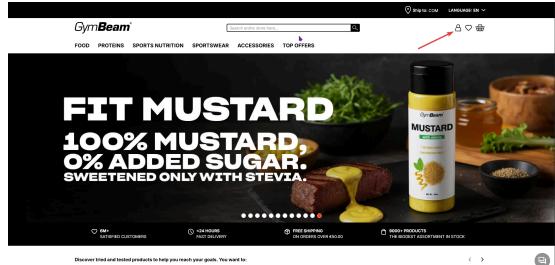

#### Preconditions

User is on the website.

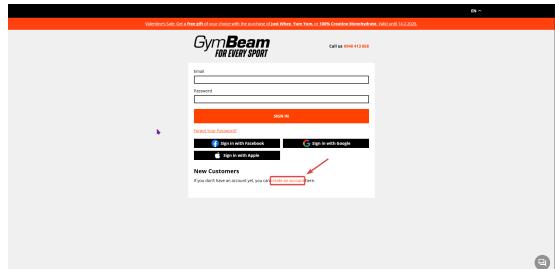

Website - <https://gymbeam.com/>

#### Steps

- Click on icon that looks like a person in the upper right corner.
